THURSDAY PACKET

School Playground – I would like to thank the Pagliarini family from Central Nurseries, who donated mulch and their labor to upgrade our school playground. The project is not completed yet, but we are moving in the right direction to get enough mulch and wood chips to cover the entire area as needed for the safety of all our students.

Administering Medication – This is just a reminder that only the school nurse (per doctor's orders) and the parent can administer medication to a student at school. No student is allowed to carry medication unless it is an Epi-pen or an inhaler. (Those students are to give that medication to the teacher when they are in his/her classroom and bring it with them to the next class). Also an employee of the school does not have permission to administer medication to any student.

Ice Pop Sale for Advanced Choir and Drama – The Advanced Choir and the Drama Program would like to thank all who supported the ice pop sale. It was a huge success. We raised \$1373.12! See you in the spring, Mrs. Rodi.

Box Tops, Soup Labels, and Ink Cartridges – Please send in your box tops, label and ink cartridges. In doing so your child will receive a free dress down pass! This is an on-going drive all year.

Coat Drive – The coat drive is going well. Please continue to donate any used coats that are in good condition and clean, so that we can deliver them to the less fortunate to keep them warm this winter.

Terra Nova Testing – We still have another week of the Terra Nova testing. Please make sure that your child comes to school and is well rested, to complete this upcoming final week of tests.

Halloween Party – You have received a Halloween flyer in today's packet about the annual Halloween Party that will be held on Friday, October 26th. Kindly fill out the form and return it to school as soon as possible so that the Parent Association can make the necessary arrangements for this fun-filled evening for our students!

HenselerHernandez Memorial Tournament – Also included in today's packet is a letter from Mrs. Henseler's son Sean, asking people to contribute to the Henseler Foundation. All monies received from the tournament, and direct contributions will be combined to offer scholarships to students from our school and St. Joseph's in West Warwick, RI. The names of the donors will appear in the event program. Please refer to the flyer for further information. Thank you.

CHRIST is the reason for this school.

~in our minds, on our lips, and always in our hearts~
