Keep up the good work!

Crossing Guard – We have a new crossing guard who is working each morning. Her name is Melanie Turner. Starting in January she will be the crossing guard each morning and afternoon. I have been noticing that parents have not been crossing their children at the crosswalk. Many are driving up and blocking the crosswalk. Atwood Avenue is a very busy street and if you feel that you must cross your child yourself, then you need to park in the lot and walk to the crosswalk. There is a lot of congestion at arrival and dismissal times, and I feel that someone may get injured if people continue to ignore these rules. **Please adhere to these policies for the safety of all our children.**

Progress Reports – Progress Reports will be distributed next Friday, October 12th. Progress reports are given midway between each trimester to each student to give the parent an indication of how their child is doing at school. Keep in mind that Progress Reports are given to ***show improvement, progress***, or to the child who is ***experiencing some difficulty*** at this time!

Fire Prevention Week – Next week is Fire Prevention Week. Please return the permission forms allowing your child to enter the “Smoke House” that will be on the premises all next week. **Your child will not be able to enter the “Smoke House” unless the signed form has been returned to school.** The “Smoke House” is available for students in Grades K-5.

Choir – Choir practice will be held next Wednesday after school from 2:35-4:00pm.

Sally Foster – Please note that the Sally Foster packets are included in this Thursday packet. 50% of sales will go directly to your mandatory fundraising. Entertainment books are still available for anyone who is interested in purchasing them.

Cell Phone Recycling – St. Rocco School will once again collect old cell phones. These phones will be donated to Elizabeth Buffum Chace House located in Warwick, RI. This home provides services to victims of domestic violence.

CHRIST is the reason for this school.
