TUITION POLICY/AGREEMENT **

The goal of St. Rocco School is to be full “in person” learning. However, there may come a need to utilize virtual or distance learning during all or part of the school year. In-person instruction may not occur depending on many factors, including, but not limited to, laws, regulations, and government orders in effect at the time, and the School, in its sole discretion, may take additional measures and provide instruction in the manner it deems most appropriate to ensure the health and safety of all students, faculty, and staff. Other activities normally sponsored by the School, including, but not limited to, sports and after school programs, may also be limited, postponed or canceled as the School may deem appropriate to protect the health and welfare of the School community.
