Weekly Classroom Updates

The Blue task bar at the top starts with:

Home/Calendar/E-mail/E-Locker/School Announcements/Directory

On your child's Homepage you will see all your child's classes listed below his/her picture.

Click on **Homeroom**. The Classroom Summary will show you an overview of what your child's week will look like in the classroom as well as any important events coming up.

The screenshot shows the PlusPortals interface for a classroom. At the top, there are tabs for 'Overview', 'Classroom', and 'School'. Below this, the 'Classroom' tab is active, showing 'Class: Homeroom' and sub-tabs for 'Class Page', 'Performance', and 'Progress Reports'. A search bar contains 'Teacher(s):', 'Room:', 'Meeting Time:', and 'Class Length:'. Below this is a 'Class Summary' section with a blue header and a dropdown menu. Underneath is an 'Online Meetings' section with a 'Today's Meetings' dropdown and a table with columns for 'Title', 'Description', and 'Start Time'. The table is currently empty, with a message 'No Meetings to display.' at the bottom. Below the table is a 'Coursework' section with a blue header and a dropdown menu for 'Upcoming Coursework' and 'All Types'. At the bottom right, there is a 'Go to Top' button.

Grades

On your child's Homepage, under Progress, click on the **Class** you want to see the grades for.

Then click **Performance**. You will be able to see the grades your child's teacher have put in the computer.

Report Cards (3 times a year)

On your child's Homepage, right above their picture, you will see ***E-locker***. Click on it.

Next, click on the download button  all the way to the right.

You can then view, print in color, or print in black or white.
