DENTAL SCREENING: January 24th

In accordance with RIDOH Rules and Regulations for School Health Programs, a Dental Screening is required for Grades K-5 each school year. **Dental Screenings will take place on Friday, January 24th by the Town of Johnston School dentist, Dr. Thomas DePetrillo.** If your child has had a dental screening by his/her own dentist in the past 12 months, they will be omitted from the screening. If you do **NOT** want your child examined by the school dentist, please email me directly to indicate this and to provide a copy of their last exam.
