COVID TESTING CONSENT FORM 2023-2024

At this time, we are offering COVID testing when students visit the nurse with symptoms of COVID-19. The consent form below will only need to be completed once and will be valid to cover permission through the end of the 2023/2024 school year. At any time, you or your child may decline to participate. Similarly, if you choose not to have your child tested initially, you can always fill out the form later in the year.

If you have any questions about testing, please reach out to Nurse Cheryl or Ms. Hand. St. Rocco's School continues to be proactive with all our mitigation protocols to keep our school community safe.

In order for your child to participate in this testing program, your permission is needed. **Sign below and return this form to the school if you would like your child to participate.**
