A ROMAN CATHOLIC SCHOOL

Saint Rocco School Official Referral Program

The 2022-2023 Referral Program offers great incentive to the current St. Rocco School community and allows families to share the rewards of increasing enrollment. It uses the strongest marketing force in existence: word of mouth. When you share your children's experience here at St. Rocco's with your family, friends, and neighbors, it is the most powerful tool we have to communicate our quality of academic education and our nurturing environment, as well as the way in which our Faith education distinguishes our school from the public school system.

All currently enrolled families have the potential to receive a **\$500** tuition credit for each student referred!

Who is eligible to receive an award?

This program is open to the immediate families of all currently enrolled students at St. Rocco School (SRS) as well as the faculty and staff of SRS, referred to as the "Community" (who have read and signed this contract.) At the time of the referral, the Community must have an existing relationship with the school, either having at least one enrolled student or being a paid employee of SRS.

Who is eligible to be referred?

Any student from Pre-K 3 through 8th grade would qualify to be referred as long as the new student is not an immediate family member of the Community. For example, siblings of existing students or children of existing faculty and staff would NOT qualify.

What is Tuition Verification?

The tuition of the referred student must either be paid in full or must have enrolled in FACTS and successfully completed all payments through December 31, 2022.

How Are Rewards Calculated?

A \$500 tuition credit will be awarded for the referral of each new student that enrolls for the 2022-2023 school year prior to March 31st. Referrals for students that enroll after March 31st will accrue a \$250 tuition credit. This credit is dependent on the referred student meeting the Tuition Verification requirements outlined above. There will be no retroactive referrals made after enrollment without exception. The tuition credit award will be credited to the referring family's tuition by January 15, 2023, or by check if tuition is paid in full.

When are awards paid?

As of the Pay-Date, all referred students must be Tuition Verified. If a referred student withdraws from SRS prior to December 31, 2022 or is not Tuition Verified, no award will be paid.
